A temporary home

Ronald McDonald House in Bern is located in the immediate vicinity of the pediatric clinic. It provides a much needed temporary home for relatives of sick children.

The house offers ten pleasant double rooms all with en-suite bathroom. In addition, the house next door contains a spacious apartment with a shared bathroom for two to three families.

The accommodation includes access to a kitchen, a living room with a play area, as well as a large garden offering a play area for the young patients' siblings. Bed linen and towels are provided for residents, who are also able to do their own laundry.

Who can benefit from a room at the Parents' House?

Any family whose child is hospitalized in the pediatric clinic of the Inselspital Bern.

How do I apply for a room?

The families concerned or the hospital staff contact us.

How long can a family stay?

As a rule, families can stay for the duration of their child's hospitalization. During busy periods, an early discharge may be considered in consultation with the parents and the medical staff caring for the child. The decision rests with the House management.

How much does a stay at the Ronald McDonald House in Bern cost?

The rooms are available for a nominal fee of CHF 20 per night per family. In addition, there is a one-off fee of CHF 25.00 for processing and laundry. Please contact us if you have any questions. We would be pleased to welcome you to your temporary home.
